

Win Your Own Tablet!

(plus a Brain Show assembly and \$1,000 for your school,
and a \$100 gift card for your teacher!)

Saving energy and protecting the environment is important to all of us. And you can do your part — every day.

Get started with our **Conserve to Preserve[®]** booklet. Then, get out your art supplies and show us your energy-saving ideas!

Your teacher has the contest rules and can give you directions on how to enter. Remember, be creative and use your imagination. Share with us your ideas for saving energy and illustrate an NJNG energy-saving tip for a chance to win a great prize!

***All participants will receive
a certificate of recognition and other fun stuff!***
