

## Ninth Annual KIDS and Conservation Poster Contest

New Jersey Natural Gas (NJNG) invites all fifth grade students, including those who are home-schooled, within its service territory to participate in our **Conserve to Preserve®** (CTP) Kids and Conservation Poster Contest. To help them get started, we'll provide participating students with an NJNG CTP booklet that is filled with energy-saving tips. Students are encouraged to use one of these 20 tips as the theme for their artwork.
