

2025 Conserve to Preserve Kids and Conservation® Poster Contest

Frequently Asked Questions

Who can participate?

New Jersey Natural Gas (NJNG) invites all fifth-grade students within its service territory, including those who are home-schooled, to participate in our Conserve to Preserve® (CTP) Kids and Conservation Poster Contest.

How do my students enter the contest?

Scan the QR code below or visit our [Contest Page](#) to download the poster contest starter kit. It includes the official rules, energy-saving tips, FAQs, and entry and consent forms.

Students can submit their posters in one of two ways:

By Mail

NJNG's Conserve to Preserve Kids and Conservation® Poster Contest
1415 Wyckoff Road
Wall, NJ 07719

By Email

Email a scanned or photographed copy of the poster to contest@njng.com.

All submissions must be accompanied by:

- A completed entry form
- A completed consent form

Upon submission, a confirmation email will be sent once the entry is received.

What are the requirements to participate?

Students will create a poster that illustrates energy-saving and conservation tips. Students must use an 8 ½" x 11" piece of plain white paper (supplied by the school). NJNG encourages students to be creative – using any art medium except clip art or 3-D designs. The poster must be a student's original work.

How are winners selected?

NJNG team members will judge the posters based on the following criteria: content, accuracy, creativity, and overall presentation. NJNG will select three winners to receive prizes. See the Official Rules for prize details. All participating students will receive a certificate of recognition for their participation.
